

**Practicing in
community, growing
with support, healing
with intention.**

How to Join:

1. Contact us at info@transcendent.health for an informational call or onboarding packet.
2. Submit verification documentation.
3. Visit in person for a site orientation and Althea training.
4. Schedule with your clients!

Community Model

We believe that healing happens in community, not isolation. Our community membership model allows us to offer events to support not only facilitators, but their clients as well. From hikes to pot lucks, consultation groups to professional development, our goal is to create sustainable change and growth in relationship with others.

Transcendent Integrative Health

MEMBER FACILITATOR PROGRAM

About Us

Welcome to Transcendent Integrative Health! We are a fully licensed healing center located in Arvada, Colorado. Our goal is to create a safe space, supportive community and an inspirational integrative model for psychedelic assisted therapy.

The Space

- Group room that accommodates 6 participants.
- Individual and couples rooms.
- Beds and linens provided.
- Private bathroom.
- Eye masks, floor seats and emesis supplies.
- Therapeutic materials, including essential oils, live plants, art supplies and sound system.

The Community

Psychedelic facilitators are invited to practice in our space as community members. Membership includes completing a verification process and onboarding as an independent contractor to facilitate fees and payments.

- **Monthly Membership Fee: \$150**
 - Includes *full coverage natural medicine liability insurance*, state mandated paperwork and reporting, and monthly community and professional events.
- **Client Package: \$2400**
 - This fee includes 2 preparation sessions, the administration day, and 2 integration sessions.
 - Facilitator take home is 50%, \$1200
- **Supports:**
 - Transcendent manages state mandated documentation and reporting through the Althea management system. Each member facilitator is onboarded with their own account.
 - Certified natural medicine available on site for client purchase, and staff natural medicine handler for your sessions.
 - In-house MD available for medical clearing as needed.
